

Saplings Newsletter

Autumn 2 2019

Welcome back to Saplings! We have another busy half term ahead of us. We will be closely following the interests of the children and the main events at this time of the year such as Bonfire Night and Christmas!

Help!

If you can donate any interesting, sparkly items for us to investigate in nursery, it would be very helpful, as well as different textured materials and fabrics. We are also in need of any loose parts for our curiosity area.

Please also donate any clean underwear or trousers/bottoms that your children have finished with or grown out of for our spare collection.

Homework

Draw a picture with our child.

We would like to know more about your child's interests. Show us in the picture what your child likes to do or what makes them happy.

Winter Weather

Even though it is colder now, we will still be going outside. We have a supply of wellies, but you can bring your own if you would prefer to do so. Please make sure they are named and in a bag, which can be left on your child's peg.

The Golden Ladder

Some of your children may have told you about our golden ladder in Nursery.

This is a behaviour system used throughout the school.

Every child begins the day in the middle of the ladder and their aim is to make their way to the top!

Your child could make their way to gold on the ladder by behaving well, being kind and caring or helpful.

Please remember to look at the ladder when collecting your child to see where they were each day.

Twitter

Please remember to look on Twitter to see what the children have been doing at school.

[@parkendprimary](https://twitter.com/parkendprimary)

We will keep you updated with all of the exciting events that take place.
