

We would like to say thank you for all your continued support during our Autumn term, which has been so different to previous years. Our children have embraced the new routines and rules in school with such positivity and we are so proud of them.

### Halloween events

Due to current restrictions children are unable to gather in large groups in school.

Unfortunately, this means we will not be holding Halloween discos or parties this year. Please do not buy costumes.

Please can we remind parents and carers that although it is tradition, at present, children should not be going from house to house trick or treating.

We realise this is a very difficult time for all of our children and families. We want to make sure our children still celebrate Halloween traditions, but in a way that is safe for everyone. Children will participate in Halloween activities in their class bubbles.

Activities will include:

Acorns: Halloween hunt  
Nursery: Halloween snacks  
Reception: Making potions  
Year 1: Halloween poems  
Year 2: Halloween writing  
Year 3: Spider biscuits  
Year 4: Halloween decorations  
Year 5 & 6: Pumpkin carving
