

### Thank you

Thank you for your continued support in working together to keep our children, staff and families safe during these difficult times.

### Face coverings

Following half term, the Local Authority are requesting that any adult entering the school grounds **MUST** wear a face mask, as of Monday 2nd November 2020.

A reminder of the government advice for wearing face coverings:

- wash your hands thoroughly with soap and water for 20 seconds or use hand sanitiser before putting a face covering on
- avoid wearing on your neck or forehead
- avoid touching the part of the face covering in contact with your mouth and nose, as it could be contaminated with the virus
- change the face covering if it becomes damp or if you've touched it
- avoid taking it off and putting it back on a lot in quick succession
- A face covering should cover your nose and mouth while allowing you to breathe comfortably

We recognise that some parents will not be able to wear face coverings due to medical reasons. Can we please ask parents to be respectful of those not wearing a face covering for medical reasons.

### Social distancing

Please could we remind parents and carers to maintain a **social distance of 2 meters** when dropping and collecting children from school. The school gates are temporarily open for an extended period of time, to avoid critical 'pinch points'. Your child can arrive and be collected at any time between:

Morning: 8:45am—9:15 am  
Afternoon: 2:45pm—3:15pm

### Parent survey

Thank you to all parents/carers who completed a parent survey. We are so pleased to hear all the positive views and comments you had about our fantastic school!

## Attendance

Unfortunately, Covid 19 means some children will not be able to attend school if they have to self isolate. We all know how important it is for children to be in school everyday. Please can we remind parents/carers to ensure their children are in school daily, unless they are self isolating or unwell.

## Home learning

If your child is required to isolate, there are two ways they can access home learning:

- Children who have devices (laptop/iPad/tablet) at home have access to online learning via seesaw. Seesaw can be accessed through [web.seesaw.me](http://web.seesaw.me)
- Children who do not have devices at home, or prefer paper copies of work, will be provided with a paper pack for their isolation.

If you need any help with home learning, please contact school.

## Happy half term!

We hope all our families have a wonderful half term. We look forward to seeing all the children back to school on Monday 2nd November.
