Dear Parents

Today the school received a bomb threat. The school was immediately evacuated as the safety of our pupils is paramount.

Cleveland police attended school and, after making a sweep of the building, confirmed this was a hoax.

We are amongst several schools in the area who have been subjected to a hoax call. However, we must follow evacuation procedures and advice from the police.

We would like to thank all our parents for the swift response in collecting your children and apologise for any distress and upset that this may have caused.

We would also like to thank Cleveland Police for their immediate response.

We look forward to seeing all pupils in school on Monday.

Yours faithfully

JC Rodwell
