Please make a summative comment about RE in the school which may be used for publicity	<p>The RE Leaders at Park End Primary School are committed to raising standards in RE by providing a broad and balanced curriculum designed to engage and stimulate the children. The children feel safe, valued and nurtured and are encouraged to explore the big questions about life, in order to find out what people believe, and to deepen their understanding and develop their tolerance and respect for other faiths.</p> <p>The leadership and management of Park End Primary School is strongly committed to the development of RE which has had an extremely positive impact on the quality of teaching and learning.</p>
Any other comments about the school or the process	<p>The assessment of Park End Primary School provided me with the opportunity to see the enthusiasm and commitment of the RE Leaders - who are working hard to move their school forward and develop a more robust RE curriculum to raise standards and prepare their children for life in a multicultural society.</p>
