

School Newsletter

Summer term 2022

Welcome back

A huge welcome back to all our children and their families. We hope you have all enjoyed some Jubilee celebrations over half term, and we are very much looking forward to our final half term before the summer holidays.

School photographs

The school photographers will be back in school on Friday 17th June for any children who were absent or any families who missed the deadline for the family/group photograph.

To request a family/group photograph, parents/carers must complete an online booking form by **Wednesday 15th June**.

A text message will be sent to all parents from the school office this week with the link to the online booking form.

Parents' evening

We are looking forward to welcoming parents back in to school for face to face parents' evenings this half term.

On the week beginning 18th July, parents and carers will be invited in to school to look at your child's book and speak with the class teacher.

Sports day

Sports days will return this year—we've missed them so much!

Further information to follow.

Warm weather reminders

As the summer months approach, please apply sun cream to your child before school.

You may also send in a bottle of sunscreen with your child's name on it for your child to apply it themselves in school.

If your child is unable to self administer sun cream, and you wish for a member of staff to apply it, you will need to complete a consent form available from the school office.

You may wish to send in a sun hat for your child to wear during break times. Please remember to write your child's name on the inside of their hat

Parent pay

Please remember to update school if your mobile number has changed to ensure you are kept up to date with all the latest information.
