Football World Cup 2022

The tournament kicks off on Sunday 20th November with England's first game being Monday 21st November.

To celebrate this, we will be allowing children to come to school wearing football kits / shirts or wearing red and white on Monday to support our national team.

First Match

As the first England game is being played during school hours, we are giving the children the opportunity to watch the game in class and cheer on their favourite players.

Children will also have the chance to complete some fun activities including a penalty shoot out against our sports coaches and take part in a school sweep stake with the winning class receiving a prize.

As well as all the sporting activities, we will be using the tournament to study the countries and cultures of the competing teams and the hosting nation Qatar. Children will be exploring world maps, identifying the flags, languages and currencies that make our world such a diverse place.

+ Come on, England +
