Child Looked After Policy

1. Definition

- The term 'looked after' was introduced by the Children Act 1989. This refers to a child who is either accommodated (whereby the local authority provides for the child on an agreed basis with the person who has parental responsibility) or is subject to a care order (whereby a court order grants shared parental responsibility to the local authority) in order to protect and promote a child's welfare.
- Children in both instances could be living with foster carers, in a residential unit, in a residential school, with relatives, or even with parents on a part or full time basis.
- The term 'looked after', which is widely used in social services is synonymous with the term "in public care", which has been adopted by the DfES in their publication, 'The Education of Young People in Public Care (2010)'.
- These children are referred to as Children Looked After (CLA) by Middlesbrough Council. In this policy, in line with the local authority guidance, these pupils will be referred to as CLA.

2. Legal Framework

Recent legislation and guidance from the Department for Education and Skills (DfES) and the Department of Health (DH) requires schools to have effective policies for supporting and promoting the education of looked after children. In September 2018 the duties were extended to children who have left care through adoption, special guardianship and child arrangement orders. In this policy the term 'children looked after' will also include those children who were previously looked after. The term 'currently looked after' will refer to those children currently under the care of the local authority.

Schools must:

- Ensure access to a balanced and broadly based education for all children looked after (CLA)
- Prioritise recording and improving the academic achievement of all CLA
- Prioritise a reduction in the number of exclusions and trancies for all CLA
- Ensure there is a designated teacher to advocate for the rights of CLA and that the duties of a designated teacher are written into his/her job description.
- Develop systems of communications and protocols.
- Promote the attendance of CLA.

3. Rationale

- Schools are key in helping to raise the educational standards and improving the life chances of children looked after.
- Schools play a major part in tackling the causes of social exclusion through careful planning, monitoring and evaluation.
- Schools can also provide a source of continuity and "normality" for children who may have been subject to emotional distress, abuse, and disruption.
- School can be the place where children maintain friendships and a place where they feel safe and can be themselves.
- Raising levels of achievement is a major part of improving the life chances of children looked after and schools play a pivotal role in this.

4. Objectives

Park End Primary School will:

- work alongside social workers and the virtual school to ensure that each child currently looked after has an up to date Personal Education Plan (PEP) in place.
- provide a climate of acceptance and challenge negative stereotypes.
- ensure all children who are looked after have the same opportunities to participate fully in the National Curriculum and extra-curricular activities and enjoy the school experience fully in line with corporate parenting principles.
- ensure discretion when addressing a child's current or previous care status and ensure there is sensitivity to the background of children who are looked after, especially surrounding work on family.
- ensure the designated teacher is provided with regular training, and that they cascade this training to school staff as appropriate.
- seek to review all school policies regularly in the light of the LA's Social Inclusion guidance, Special Educational Needs Legislation, and joint Department for Education and Skills / Department of Health guidance on The Education of Children in Public Care.
- ensure that a clear protocol for sharing of information will be followed both within school and with outside agencies.
- endeavour to support all looked after children educated in Park End Primary School to achieve to their fullest possible academic potential.

- Each currently looked after child will have a Personal Education Plan (PEP). The

designated teacher and/or one member of staff who knows the child well will endeavour to attend the meeting to establish and subsequently review the PEP. Other staff will contribute in writing as appropriate.

12. Content of the PEP

The PEP will consider:

- the child's strengths and weaknesses
- interests, both in and out of school
- developmental and educational and pastoral needs
- future plans, and how these can be supported
- issues arising for the child
- targets that will be reviewed during the next PEP meeting
- the voice of the child.

13. Admission/Induction Arrangements

- Children looked after (CLA) are a priority for admission and, as such, we will follow the LA's published admission criteria.
- Records will be requested from the child's previous school and as soon as practicable after they are received, a meeting will be held with the carer / parent, social worker, and other relevant professionals, and child as appropriate. This will provide information to inform the child's new Personal Education Plan, and ensure that communication systems are established early.
- In the first PEP meeting, Park End Primary School will seek clarification from the social worker as to who requires school reports and who may give permission for school trips or other such activities. At this meeting, any means of communication to aid the fluid exchange of information between statutory meetings will be discussed and agreed (such as a home/school book to detail any sudden significant changes in a child's circumstances.)

14. School Trips and Special Activities

- We will aim to ensure that looked after children enjoy the same extra-curricular opportunities as other children by reserving placements for them on trips or on activities.

15. Complaints

- If a young person, parent/carer or social worker wishes to complain about the provision or policy, they should, in the first instance, raise it with the designated teacher who will try to resolve the situation.
- If the issue cannot be resolved by the designated teacher, then the school complaints procedures should be followed (school complaints policy is published on the website).

16. Review of the children looked after policy

- This policy will be reviewed on an annual basis
