## UNPLANNED SCHOOL CLOSURE

Thank you for your understanding regarding today's unexpected school closure (13th January 2026) due to electrical issues. We recognise this may have caused disruption to your day, and we truly appreciate your flexibility. The safety and well-being of our pupils always comes first, and we are pleased to share that the issue has now been fully resolved.

We are happy to confirm that school will **reopen as normal** tomorrow.

If you have any questions or concerns, please get in touch with us. Thank you once again for your patience, support, and understanding.
